

FULTON COUNTY TRIBUNE.

VOL XXXV NO 7

WAUSEON, OHIO, FRIDAY, MAY 24, 1918

\$1.50 PER YEAR

EGHY CALLED

Eighty Fulton County Registered Men to Leave For Camp Taylor Next Tuesday—America's Army of Defense Speeding Up—Need of Mobilizing the Home Resources Emphasized.

By far the largest body of selected men that has yet left Wauseon for a military training camp will be the splendid contingent which will leave next Tuesday for Camp Taylor, near Louisville, Ky. The manifest speeding up of the organization and dispatching of the United States Army that, with the armies of our allies are holding the line of defense of human rights and justice in Europe is a stirring reminder to those of us who remain at home out of the danger zone and are far from the devastation and carnage, that there is need of our mobilizing and organizing our home forces and resources to support and sustain the line of defense of our country and the lives of our fellow citizens upon us duties as important as those which devolve upon those who in khaki and blue are with the "flag in France," or on the high seas or in training camp and cantonment.

First, we must in these days put America and the cause of Democracy for which our Nation is fighting, absolutely FIRST. We must demand of ourselves and each other an unhesitating readiness to give without reservation moral, intellectual, physical, and financial support to aid and support the Government and the men who are doing its bidding, to the limit of our ability.

It is just as important that we who stay at home and enjoy the safety and security and opportunity which our government gives us should lend that government our money on hand and our earnings to equip, transport, feed and clothe the men who are fighting for us, as it is that these men should give themselves to this service. Just as much an obligation resting on us to give to the limit of our ability to furnish the soldiers and sailors and aviators the comforts and help, and care when sick or wounded that the government does not and can not give, as there is an obligation resting upon a single one of those men to give their time, energies, and risk their lives to fight for the security of our peace and comfort and to insure the rights of all humanity.

As our boys are wheeling into line and speeding up the machinery that is to end this war in victory for the cause of righteousness, it is time to speed up the cause of righteousness that shall give to them wherever they are, the utmost help and support possible. Let the boys who leave Tuesday go, knowing that the citizens they are leaving at home are at home at home, and that they will stand back of them to the last spark of energy and the last dollar.

The following list of persons called to appear at the office of the Local Board on Monday, May 27, at 4 o'clock p. m., for enlistment to Camp Taylor, near Louisville, Ky. Eighty men will be sent to camp and the Board has selected ten alternates to take the places of any person who is excused by reason of sickness, death, or otherwise. These alternates must be prepared to go, should the occasion demand their services:

AMERICAN RED CROSS NOTES

The call for nurses continues. If you are a young woman anxious to do your bit this is the best way: Enroll yourself in a training school for nurses and so release a trained nurse for military service.

The various districts of the Lake Division will soon be given quotas for all hospital supplies. The work is being systematized more and more all the time. When we look back at county chapter as it was in the beginning, we can only feel amazement at the splendid work accomplished.

An announced last week, Fulton County Red Cross must furnish 200 comfort kits. The essential contents of the kit follow: Housewife, 20 yards; light strong cord (fish line style); cigarette lighter for Army (without liquid); shaving soap; tooth brush in case, short comb in case, pencil, with eraser and cover for point. In addition, kit may contain: pocket knife, containing 10 possible corkerew, screw driver, can opener, bottle opener, and leather punch; small carborundum stone, 3x1 1/2 inches, for sharpening knife; safety razor, 25 triangular; 10 Navy kits may contain a small crash towel and a white handkerchief.

The War Department urges again through the official bulletin that the house folks forget their worries when they write to the boys in camp. About 90 per cent of the cases of desertion have been traced to letters containing exaggerated reports of unhappy home conditions.

The Wauseon work rooms want more sewing machines. The women cannot work without tools. Help find these machines that are needed so badly.

Reports For The Week

RESOLUTIONS OF RESPECT

By Rescent Grange No. 1607

WHEREAS, The hand of death has removed from our midst our beloved brother, E. W. Ruppert, who has been a true and faithful patron; therefore be it

RESOLVED, That we as an order have lost in him one whose memory we shall ever cherish, and whose deeds of kindness and benevolence shall ever be held in grateful remembrance by us, his brothers and sisters;

RESOLVED, That we sincerely sympathize with the family in their hour of sadness, and commend them for comfort and consolation to the Supreme Master of the Universe; and be it further

RESOLVED, That a copy of these resolutions be sent to the bereaved family of our brother, and also that they be spread upon the records of this order and published in the county papers; also that the charter of the order be draped in memory for a period of thirty days.

(Mr. and Mrs. C. L. Shreves Com.)
(Mr. and Mrs. Gale Stickle Com.)
(Mr. and Mrs. Alta Funk Com.)

SCOUT NOTES

Drill squads are being formed for the summer now. Every Scout should take this feature of Scout work.

A comprehensive chart of the work of each Scout is now being made by the Scoutmaster. This will be an interesting study when completed.

The camp and Scout Training school details are now being worked out. Plan to have your boy in on this inexpensive vacation. Each Scout not only gets a fine recreational period, but a fine training in many things as well.

Next week will be a busy week for the Scouts. Tuesday the Drum and Bugle corps will also all Scouts have been asked by the War Board to escort the eighty soldier boys to the train at 8:15. Wednesday, all Scouts and their leaders will attend the big May Day school picnic and greet the Governor at the Fair Grounds. On Thursday at 0:15 a. m. they will escort the Grand Army parade to the cemetery and assist in the Decoration Day exercises. Every Scout will be of service on these occasions.

CANDIDATE FOR STATE SENATOR

McClure, Ohio, May 6, 1918.

Editor Tribune:

Please announce my name as a candidate for the office of State Senator for the 33rd Senatorial District of Ohio, subject to the decision of the Republican primary election to be held August 13th, 1918.

I favor the principles of the Republican party, both State and National, and the adoption of a prohibition amendment in the State of Ohio and the ratification of the prohibition amendment to the Constitution of the United States.

GEO. E. KRYDER.

REGISTRATION DAY \$96,435.00 PAID FOR APRIL MILK

The President Designates Wednesday, June Fifth, as Date All Male Citizens and Residents of U. S. Attaining Age of Twenty-one Between June 5th, 1917, and June 5th, 1918, Must Register.

The Local Board has received its instructions for the registration of all men in Fulton county becoming 21 years of age since June 5, 1917, up to and including June 5, 1918, and all persons who are subject to register must appear at the office of the Local Board at the court house in Wauseon, Ohio, on that date.

The rules for this registration are substantially the same as they were at the former registration, and extreme penalties are attached to willful disregard of the President's orders.

The only exceptions to the law are persons in the military or naval service of the United States, which includes all officers and enlisted men of the Regular Army, the Navy and Marine Corps, and the National Guard and Naval Militia, while in the service of the United States, and officers in the Officers' Reserve Corps, while in actual service; but all such persons become subject to registration and are required to register immediately upon leaving such military or naval service.

The law provides that those persons registered under the provisions of this act shall be placed at the bottom of the list of those liable for military service in the several classes to which they are assigned.

The time set for registration is between the hours of 7 a. m. and 9 p. m., Wednesday, June 5, 1918.

The burden of making the required registration under the supervision of the Local Board having jurisdiction of the area within which the registrant permanently resides, is placed upon the registrant himself but for the convenience of those who are absent from home and to relieve them of the necessity of going home to register, a supply of registration cards has been placed in the office of every Local Board in the United States and the chief clerk of any board or member of any board is authorized to record the answer of persons absent from the jurisdiction of their respective local boards and to certify to their registration cards. Such cards will be turned over to the persons who are registering and must be mailed by them to the local boards having jurisdiction in their homes, in time to reach such boards by the day set for registration. A self-addressed stamped envelope should be enclosed with the registration card for the registration certificate. Failure to get this certificate may cause serious inconvenience.

SHORT COURSE IN JOURNALISM

A short course in Journalism is announced for the Notre Dame summer school. So many newspapers have gone to war that trained men upon whom editors can depend, are badly needed. It seems that in the universities the loss of students in journalism because of the war is greater than in any other course. This is probably because it is the newspaper man's instinct to be where things are "doing."

The course of study and practice at Notre Dame is designed to fit young men and women quickly to fill the gaps.

W. C. T. U. MEETING

The regular meeting of the Wauseon W. C. T. U. will be held at the home of Mrs. Eugene Disbrow on Tuesday, May 28, at 2 p. m.

LETTER FROM NO MAN'S LAND

Ray Emerling Writes His Brother and Sends Flowers as Souvenirs From No Man's Land—The Trenches—Weather and Crops—

Writing to his brother George, from "Somewhere in France," Ray Emerling, Co. F, 166th Reg't of the famous Rainbow Division, gives as his reason for not having written for some time before that he, with his comrades "have been up trying our luck at the Dutch." The letter is dated April 23, and Ray writes:

I didn't have very good success, as I only saw them in their own trenches, which were about 1,000 yards from us. We came out five from our second time in the trenches. I am sending you a souvenir; it is out of No Man's Land; there was one place in No Man's land where there was nothing but these flowers. How are all the crops over there? We do not see any crops over here so close to the firing line, but what we do see are fine. How is the weather over there? Here, it has been raining for quite a while and it is quite muddy.

How are all the boys? Have they heard of Forest Reese? I wonder if he is over here yet. Why don't some of them write? If it is only a few lines it will help cheer a fellow when he has the blues. I received a letter from Emma Frazer just before we went into the trenches with a wedding ring in it. I will bet that is the farthest a wedding ring ever traveled. I suppose you gave them some bell. I wish I could have been there, too, to help you make some noise.

Received that box that Opal sent me, and was certainly glad to get it. You said that if there was anything that I wanted I should let you know; well, you can send me all the tobacco you want to for that is about the only thing we cannot get. * * * I suppose the old town is as dead as ever. I wish I were there to look it over once more. I don't think it will grow any larger until I come back. * * * Good-bye and good luck to all, from RAY.

Private Ray Emerling, Co. F, 166th Reg't Inf., A. E. F., Via New York

KING-BIXLER

A very pretty wedding occurred Wednesday, the fifteenth day of May, at the High Street Church of Christ, Akron, Ohio.

Miss Olga Bixler of Wauseon, was the bride, and Mr. Ernest King of Akron the groom.

The Rev. L. N. D. Wells was the officiating minister. The ring ceremony was performed. The bridesmaid and bridegroom were Miss Zetta Johnson and Mr. Brady Moore.

Mr. and Mrs. King will make their home at Akron.

FARMERS'-GRANGERS' RALLY

Six or seven counties of North-western Ohio and three counties of Southern Michigan will unite in a grand Farmers' and Grangers' rally at the Fulton county Fair Grounds on Tuesday, June 18. Judging from the attendance last year at Napoleon from 2,500 to 3,000 people are expected to be present. The principal speakers will be John C. Ketcham of Michigan, National Lecturer of the Grange, and L. B. Taber, State Master of Ohio.
